No. 9.

The 15th August 1875.

The subjoined statement from the Inam Settlement Office shows the extent and other particulars of the lands, the holders of which have declined the enfranchisement offered for their acceptance under Land Revenue Rule No. 6, Clause C.

1. The reversionary right of Government in this description of property not having been compromised in the Inam Superintendent's settlement, its holders cannot exercise the right of alienation by gift, sale, lease, mortgage or otherwise.

2. On the death of the parties mentioned in the list, the Inam Superintendent for orders, holding their inams under the same rule, whether there are any of the heirs of the deceased or not, shall follow the same rule.

3. The report on the lapses should invariably be accompanied by a brief but succinct account of the nature and the extent of the same.

4. The Commissioners of Divisions are requested to civil suits involving unenfranchised inams after the public notice to the inamdar who have declined to accept the terms of enfranchisement. The General is also requested to instruct the District Registrar to register all documents in support of alienation of unenfranchised inams.

5. The fact of enfranchisement or otherwise can be ascertained in the absence of a reference to the copy of the Inamdar's certificate.
